## Directors' Report

Woods PIPES Fund is a registered managed investment scheme. BlackWall Fund Services Limited acts as the Responsible Entity and the directors present the financial report of Woods PIPES Fund for the year ended 30 June 2018.

The Fund has 5,000,000 units on issue and NTA per unit of \$1.13. During the year, the Fund paid a total of \$400,000 in interest to unitholders (8 cents per unit), which equate to 8% per annum on issue price at commencement of \$1.00 per unit.

The Fund is a hybrid property investment trust (known as PIPES) with an interest in an entertainment retail property located on Woodville Road, Villawood.

The Responsible Entity is a wholly owned subsidiary of ASX-listed BlackWall Limited. BlackWall is a vertically integrated real estate company engaged in funds management and principal investment in deep value or property related special situations. BlackWall is listed on the ASX under the stock code BWF. BlackWall and the Responsible Entity share the same board of directors (Directors) and management.

### Significant Changes in Affairs

There were no significant changes to the state of affairs of the Fund during the financial year.

The PIPES Bonus is the investors' capital gain. The Villawood property was independently valued in June 2018 at \$19.25 million from \$14 million and the investors' capital is returned with a bonus equating to 20% of this capital gain to the increase to more than \$16 million, which is only payable at the maturity date.

#### *Terms and conditions*

All units in the Fund are the same class and carry equal rights. Under the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund.

The units are referred to as 'Property Income and Participating Equity Securities' or PIPES. Holders of units are entitled to participate in investment returns earned by the Fund in the proportion that their unitholding comprises to the total number of units issued and are entitled to one vote per unit at unitholders' meetings. The Fund is expected to have a term of 7 years from registration maturing on 30 June 2022.

Due to the finite life clause contained within the Fund's Constitution and product disclosure statement, and in accordance with the Accounting Standards, the issued units in the Fund have been classified as debt for these financial statements.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### 11. Subsequent Events

To the best of the Directors' knowledge, since the end of the financial year there have been no matters or circumstances that have materially affected the Fund's operations or may materially affect its operations, state of affairs or the results of operations in future financial years.

### 12. Related Party Transactions

#### (a) Related Parties

In these financial statements, related parties are parties as defined by *AASB 124 Related Party Disclosures*.

#### (b) Transactions with Related Parties

Total unit holdings held by related parties as at 30 June 2018 was 3,385,700 (2017: 3,380,700).

In accordance with the terms of the Fund Constitution, the Responsible Entity is entitled to a management fee of 0.5% per annum of the property's value, payable monthly in arrears. The fees are paid from the underlying property assets not from the Fund's assets.

All transactions with related parties were made on normal commercial terms and conditions and at market rates.

Related party transactions that occurred during the year are as follows:

	<b>2018</b>	<b>2017</b>
	<b>\$</b>	<b>\$</b>
<b>Expenses</b>		
Fund management fee paid to Responsible Entity	69,600	69,600

Receivables from related parties - current	100,000	100,000
Payables to related parties - current	(67,714)	(67,614)

### 13. Financial Risk Management

#### (a) Financial risk management

The main risks the Fund is exposed to through its financial instruments are market risk and liquidity risk. The Fund's exposure to credit risk is to one party being the mortgagor WRV Pty Ltd for which a second mortgage is held as collateral. The Fund's major financial instruments are financial mortgage assets and net assets attributable due to unit holders.

The Board of Directors of the Responsible Entity has overall responsibility for the establishment and oversight of the risk management framework. They monitor the Fund's risk exposures by regularly reviewing finance and property markets. An analysis of major financial instruments held by the Fund, which are subject to financial risk, is as follows:

	<b>2018</b>	<b>2017</b>
	<b>\$</b>	<b>\$</b>
Financial assets	5,650,000	5,000,000

There is no material difference between the carrying value and the fair value of the financial assets.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### (b) Market risk

The Fund is exposed to market risk if insufficient cash flows are generated by the underlying property supporting the financial assets to enable PIPES Mortgage interest to be received by unitholders via distributions. The interest rate for the PIPES Mortgage is fixed at 8% for the life of the Fund. Distributions to investors may also be affected by fluctuations in the interest rate applicable to the senior debt facility secured on the property. If interest rates had moved at 30 June, with all other variables held constant, profit would have not been materially affected. Therefore a sensitivity analysis has not been prepared.

### (c) Liquidity risk

Units in the Fund are regarded as illiquid. This means that there is no active market in which to sell units except for off-market transfer. The Responsible Entity has no obligation to purchase or redeem units during the term of the Fund. There is no secondary market for units and transfers may only be effected in accordance with the Constitution and with the approval of the Responsible Entity. At the end of the year, the Fund had the following financial liabilities by maturity grouping:

	Maturing within 1 year \$	Maturing over 5 years \$	Total \$
<b>At 30 June 2018</b>			
<b>Financial liabilities</b>			
Payables	100,597	-	100,597

### 14. Segment Reporting

The Fund currently operates in one business segment in Australia acting as the recipient of income to which investors are entitled to and to distribute this income to investors in proportion to their entitlements.

### 15. Fund Details

The management of the Fund is undertaken at:  
Level 1, 50 Yeo Street  
Neutral Bay, NSW, 2089

### 16. Critical Accounting Estimates and Judgments

The Directors of the Responsible Entity evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Fund.

## Notes to the Financial Statements

### For the Year Ended 30 June 2018

#### *Key estimates – impairment*

The Fund assesses impairment at each reporting date by evaluating conditions specific to the Fund that may lead to impairment of assets. The Directors of the Responsible Entity believed it appropriate to raise no impairment provisions for the current year.

#### **17. Statement of Significant Accounting Policies**

The Fund is a managed investment scheme registered in Australia. The financial statements for the Fund were authorised for issue in accordance with the resolution of the Directors of the Responsible Entity on the date they were issued.

#### **Basis of preparation**

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001. The financial statements of the Fund also comply with IFRS as issued by the International Accounting Standards Board.

The financial statements have been prepared on an accruals basis and are based on historical costs modified by the revaluation of selected non current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The following is a summary of the material accounting policies adopted by the Fund in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

#### **Presentation of financial statements**

Both the functional and presentation currency of the Fund is Australian dollars.

#### **Going concern**

These financial statements have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

#### **Financial Assets**

As provided for in the Constitution, investors in the Fund acquired units, known as PIPES units. The assets are classified as held-to-maturity investments. Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity that an entity has the positive intention and ability to hold to maturity other than:

- (a) those that the entity upon initial recognition designates as at fair value through profit or loss;
- (b) those that the entity designates as available for sale; and
- (c) those that meet the definition of loans and receivables.

The operative asset of the Fund is a registered second mortgage over the Villawood property.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### Recognition/derecognition

The Fund recognises financial assets and financial liabilities on the date it becomes party to the contractual agreement (trade date) and recognises changes in fair value of the financial assets or financial liabilities from this date.

A financial asset (or, where applicable a part of a financial asset or part of a group of similar financial assets) is derecognised where:

- the rights to receive cash flows from the asset have expired;
- the Fund retains the right to receive cash flows from the asset, but has assumed an obligation to pay them in full without material delay to a third party under a 'pass through' agreement; or
- the Fund has transferred its rights to receive cash flows from the asset and either:
  - (a) has transferred substantially all the risks and rewards of the asset; or
  - (b) has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

Any gains or losses arising on derecognition of the asset (calculated as the difference between the disposal proceeds and the carrying amount of the asset) is included in the statement of comprehensive income in the reporting period the asset is derecognised as realised gains or losses on financial instruments.

### Measurement

#### *Pipes Mortgage*

Mortgage loans are measured initially at fair value plus transaction costs and subsequently amortised using the effective interest rate method, less impairment losses if any.

The Responsible Entity assesses at each reporting period date whether there is any objective evidence that mortgage loans are impaired. A mortgage loan is deemed to be impaired if there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the mortgage loan (an incurred "loss event") and that loss event (or events) has an impact on the estimated future cash flows of the mortgage loan that can be reliably estimated.

Evidence of impairment may include indications that the borrower or a group of borrowers is experiencing other financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganisation and where observable data indicate that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

If any such indication of impairment exists, an impairment loss is recognised in the statement of comprehensive income as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the original effective interest rate.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed by adjusting the loan loss provision account.

For the purpose of a collective evaluation of impairment the Fund considers credit risk characteristics such as asset type, industry, geographic location, collateral type, past due status and other relevant factors.

## Notes to the Financial Statements

For the Year Ended 30 June 2018

### Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

### Payables

Liabilities for creditors are carried at cost which is the fair value of the consideration to be paid in the future for goods or services received, whether or not billed to the Fund at balance date. The amounts are unsecured and are usually paid within 30 days of recognition.

### Revenue

Interest income is recognised using the effective interest method when interest is received/receivable. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate. All revenue is stated net of the amount of GST.

### Income Tax

Under current income tax legislation the Fund is not liable to Australian income tax provided the unitholders are presently entitled to the taxable income of the Fund and the Fund generally distributes its taxable income.

### GST

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

### Unit prices

Unit prices are determined in accordance with the Fund's Constitution and Product Disclosure Statement and are calculated as net assets attributable to unitholders of the Fund, less estimated costs, divided by the number of units on issue.

### New Accounting Standards and Interpretations

There are no standards that are not yet effective and that are expected to have a material impact on the Fund in the current or future reporting periods and on foreseeable future transactions. AASB will impact them, in terms of how credit risk is assessed and recognized as appropriate.

*AASB 9 Financial Instruments (effective for annual reporting periods beginning on or after 1 January 2018)*

AASB 9 Financial Instruments addresses the classification, measurement and derecognition of financial assets and financial liabilities. The standard is not applicable until 1 January 2018 but is available for early adoption. The impact to the Fund shall not be material. The Fund has not yet decided when to adopt AASB 9.

ARSN 152 110 668

## Directors' Declaration

In the opinion of the Directors of BlackWall Fund Services Limited, the Responsible Entity of Woods PIPES Fund:

- (a) the financial statements and notes are in accordance with the Corporations Act 2001, including:
  - (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
  - (ii) giving a true and fair view of the Fund's financial position as at 30 June 2018 and of its performance for the period ended on that date; and
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

The Statement of Significant Accounting Policies confirms that the financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

This declaration is made in accordance with a resolution of the Board of Directors of the Responsible Entity.

**Auditor's Independence Declaration Under Section 307C of the Corporations Act 2001**

To the Directors of BlackWall Fund Services Limited ("the Responsible Entity")

As auditor of the financial report of Woods PIPES Fund for the year ended 30 June 2018, I declare that, to the best of my knowledge and belief, there have been:

- (i) no contraventions of the independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

## INDEPENDENT AUDIT REPORT TO THE UNITHOLDERS OF WOODS PIPES FUND

### Opinion

We have audited the financial report of Woods PIPES Fund ("the Fund"), which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, statement of changes in net assets attributable to unitholders and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Woods PIPES Fund is in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 30 June 2018 and of its performance for the year then ended; and
- complying with Australian Accounting Standards and the Corporations Regulations 2001.

### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of the directors for the financial report

The directors of BlackWall Fund Services Limited ("the Responsible Entity") are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## INDEPENDENT AUDIT REPORT TO THE UNITHOLDERS OF WOODS PIPES FUND

In preparing the financial report, the directors are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). This description forms part of our auditor's report.
